The readers of this paper will be pleased to learn that there is at least one cure for that disease that has been able to cure 25 years ago and that is Catarrh. This Catarrh Cure, the only positive cure now known to the medical world, Catarrh being a constitutional disease, requires a constitutional treatment. Hood's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thus destroying the foundation of the disease, and giving the patient strength by building up the constitution and restoring health in doing the work. It is a proprietary cure, and is sold in the United States for any case that it does not cure. Send for list of testimonials.
